FOREIGN TRADE FIRM FORMED IN TA-LIEN

Desiring to employ private capital and boost foreign trade, a number of business executives in Ta-lien met on 1 August 1948 and established the Ta-hsing Trading Company, Ltd. This was done under the democratic government's desire to assist private trade and industry. Various speakers emphasized the need to export Kwantung factory products and to bring in industrial raw materials from other countries. Officialism also gave its encouragement to the new venture. Besides direct trading, the company will act as customs brokers and as agents for foreign firms.
